Christmas Toy Box

KidsOut has identified approximately 190 (5,600 total UK) children living in
Refuge Premises in East Anglia.

Mothers and their children living in fear of abusive fathers.

For £25 per child, we can donate a Christmas toy box containing toys to the
value of £80. Each toy box will be branded with your individual club's name
and contain toys specific to each child by age and gender.

The boxes will be delivered in December to the nearest refuge of your choice
by **KidsOut**, featuring your club.

WHY? To enable  to maximise our presence and involvement
in the community.

Press, Radio, TV, social media... and why not?

£100 + from each club will ensure all receive a Christmas present.
